PRESIDENT'S WEEK IN REVIEW
JUNE 8 - 14, 2020
Correction

Brothers, Sisters, Friends;

On Friday of last week, one of our Union family members died while at work in a suspected drowning.

Our thoughts are with the member's family and co-workers.

WorkSafeBC is investigating. BC Ferries has convened a Divisional Inquiry, and following discussion with Deas Dock President Bruchet, we have appointed Provincial 2nd Vice President and Senior Joint Occupational Health and Safety Committee Co-Chair Carl Campbell as the Union representative for this investigation.

Flags at the Union Office will remain at half-mast until the end of the month.

If you are in need of EAP, please contact Homewood Health at 1.800.663.1142, or visit their web page at www.homeweb.ca.

Please take a moment to reflect on the loss, to hold your family and loved ones a bit closer tonight, and to remember to stay safe – everyone deserves to come home from work safe and sound.

Because this event overshadows all others right now, this concludes my Week in Review.

Stay safe, healthy, and solid.

In Solidarity,

BC FERRY & MARINE WORKERS' UNION

Brother Graeme Johnston
Provincial President
