DESCRIPTION:
We have an opportunity for those employees requiring seatime in order to obtain a Bridge Watch Certificate. The successful applicant(s) will have the opportunity to work as a Deckhand until they acquire sufficient seatime for their Bridge Watch Certificate.

QUALIFICATIONS:
Applicants must already meet the basic requirements prior to applying for this seatime opportunity including:

- STCW Basic Safety and MED B1 (Proficiency in Survival Craft) certificates
- Physical ability to climb ladders, and handle ships' lines
- Working knowledge of safe work practises
- Ability to respond safely, effectively and expeditiously during an emergency
- Seafarer's Medical certificate (required prior to familiarization/working in position)
- Passenger Safety Management certificate (required prior to familiarization/working in the position)

The following qualifications will be considered in selecting the successful candidate: availability, ability, suitability, amount of seatime required.

It is expected that once all the required seatime has been accumulated, the employee will obtain their Bridge Watch certificate.

WHERE/HOW TO APPLY:

If you are interested in applying for this opportunity, please submit your written request to Employee Relations Hellen.Diaz@BCferries.com by **February 9, 2021.** Your request must include the amount of seatime you require in order to qualify for the Bridge Watch certificate.
