

# **VOTE BOBBY SANGARA FOR** **PROVINCIAL SECOND VICE** **PRESIDENT!**

My name is Bobby Sangara, and I started my career with BCF back in 1994. I am an Equipment Operator out of Tsawwassen terminal. I am co-chair of the Tsawwassen Site Safety Committee since its inception. Recently, we were recognized as having settled over 25 Alerts in under one month.

In terms of my Union activism, I have come up through the ranks as Shop Steward, 3rd Vice, 2nd Vice, 1st Vice... and I have held the position as TSA Local President for 7 years. My goal as Provincial Second Vice President is to maintain my high expectations for member safety, and focus that commitment throughout the fleet. I will also commit to monitoring every Local Site Safety Committee to ensure they are operating correctly, and representing the safety concerns of their members.

I feel that I have the right communication and leadership skills necessary to best represent the membership in the position of Provincial Second Vice. I feel I have the knowledge and experience to help lead the Union and its' membership. I have been a Shop Steward since the late 90's and, as such, I am well informed on the issues, as I have represented both the ship and shore members. Being a Union rep has given me the opportunity to become informed and familiar with all of our Collective Agreements over the years, up to, and including our current Collective Agreement. I consider this to be one of my most important assets to offer to the position of your Provincial Second Vice President.

The wage reopener is just around the corner, and our wages do not meet the industry standards. As part of the Bargaining committee, I would not vote for anything less than a fair living wage, and would not settle for anymore zero, and 2% contracts. I will work hard for the Licenced and Unlicensed membership, to get the raise that we justly deserve.

If elected to the position of Provincial Second Vice, I am determined to improve communication between you and your Union, and I will make it as priority to unite all members. I will be focused on strengthening our Union, as well as resolving the many problems that are impacting our workplace and plaguing our Union.

I would be honoured to serve as your Provincial Second Vice President if elected, and I hope I can count on your vote of confidence and support, to help me improve the Union moving forward.

***This is your Union because you ARE the Union! Please come out and vote. Thank you.***

In Solidarity,

Brother Bobby Sangara
