### 2<sup>nd</sup> Vice President – Local 11

My name is Mikael Harvey and I have been with BC Ferries since 2016 in the Catering department. Throughout the years I have gained great knowledge and understanding of the company with the various positions that I have worked in. I am trained as an OFA 3, relief Chief Steward, SEA Trainer and I am also an Industrial Audiometric Technician and Fit Tester for the Northern Gulf Islands. I am the recording secretary for LRSSC since 2021 and an alternate on the Regional Safety Committee and more recently took over the Catering seat on that same committee.

**Union Activism:** Newly trained Shop Steward in 2023, I have been regularly attending union meetings since hired. I have also completed various OHS courses, I believe active involvement in the union is paramount to its success and ultimately to the members' advantage, that's one reason why I decided to put my name forward. I want to help make our union stronger by representing our members and fighting for our rights. I look forward to represent Northern Gulf Island members and support Local 11 executives.

Thank you for your consideration!
