Bulletin #36

BROTHER EDUARDO MUNOZ RETIREMENT CONFIRMATION

While it is not common for the Union to issue a bulletin for a member's retirement, we are doing so because the Company has not mentioned Eduardo's retirement. Brother Munoz was hired April 25, 1996, with a corrected service seniority date of May 5, 1996. Eduardo retired from the Company June 30, 2018.

Eduardo spent the majority of his career active within the Union including his final three years serving the role of Provincial SOC President. Eduardo is one of the many who decided to take a stand against exclusions in 2010, and continued to take that stand until his retirement.

Please join us in wishing Eduardo an enjoyable retirement for years to come.

In Solidarity,
SOC Executive
