

BC FERRY & MARINE WORKERS' UNION

Bulletin 38
October 17, 2019

TO ALL BCFMWU MEMBERS ON ROUTE 26 OR THOSE CONSIDERING EMPLOYMENT ON ROUTE 26

The Union is aware that BC Ferries has posted positions with flight compensation for Route 26. These postings, however, do not compensate any employee who is or might become a resident on Haida Gwaii.

BCFMWU has communicated our disagreement with the Company's current flight compensation as it creates an inequity in our Union family. The Union will be using the grievance procedure and / or any other means to seek relief for its members in this instance.
