

## **BC FERRY & MARINE WORKERS' UNION**

**SPECIAL BULLETIN #43**  
**August 4, 2020**

### **Article 12 and Section 54 Arbitration (August 5-7)**

Brothers, Sisters, Friends,

Over the next few days our Union will be pursuing our grievance regarding BC Ferries' illegal layoffs at a hearing in front of Arbitrator John Hall.

After extensive preparation, our legal counsel Steven Rogers remains confident our position will succeed.

We will provide our members with a briefing after the hearing concludes, likely on either August 10 or 11. However, please know it will likely take at least a few weeks for a decision to be handed down after the hearing concludes.

In Solidarity,

Graeme Johnston  
Provincial President
