

Toolpusher

Stena Drilling is delighted to be commencing operations offshore Newfoundland and Labrador, Canada for an anticipated six (6) month drilling campaign onboard the Stena DrillMAX Drillship.

There are currently temporary opportunities for 2 Toolpushers, working on a 28/28 on/off rotation.

Business Address: 701-10 Fort William Place, St. John's, NL, A1C 1K4

Work Location: Onboard the Stena DrillMAX Drillship, offshore NL. *Please note there is a possibility that successful candidates will be required to join the drillship overseas at an international location prior to mobilizing to NL.*

Wage: \$107.28 CAD per hour

Benefits: Dental, Life, Medical, Vision, and where applicable, Offshore Allowance.

Job Duties:

- Control all Drilling Operations and other interrelated activities being performed during their shift in a safe and efficient manner.
- Responsible for all the essential drilling operations, such as drilling, reaming, coring, fishing, running casing, tubing, cementing.
- Ensure the drilling operations are carried out as defined in the approved Operator's Instructions and Drilling Program, and the operation is executed in accordance with Stena's Drilling Operation Manual and RSWMs and where applicable any agreements made in the Bridging Document.
- Report directly to the Senior Toolpusher any deviations from approved Operator's Instructions or Drilling Programme.
- Helps all subcontractor companies to run their jobs and maintain a good cooperation.
- Manage and monitor the execution of the Planned Maintenance System within the Drilling Department.
- Ensuring that all maintenance carried out on drilling equipment has been entered into the TAG system.
- Maintain the tubular inventory.
- Prepare Drilling Reports.
- Check instructions, programmes and calculations supplied by Operator.
- Provide cover for the Driller as required.
- Supervise the running and retrieving of all subsea equipment.
- Advise the Senior Toolpusher of any impending downtime.
- Ensure Drillers are familiar with space-out and shut-in procedure.
- Check the accuracy of kick sheets and monitor trip sheets.
- Allocate tasks to Driller and provide adequate supervision in order to ensure that all such tasks are carried out in a safe and efficient manner.
- Responsible and accountable for the safety of the personnel working under their direction and shall be expected to conduct operations at all times in full compliance with company procedures (SMS).
- Identify and address any violations of procedures concerning personnel under their direction.
- Continuous or repeated violations of policies or procedures should be highlighted and brought to the attention of the HoD/Master-OIM.
- Comply with the Management of Change Principle.
- Actively participate in accident/incident investigations when required.
- If allocated to an MPD capable vessel (full MPD system installed);
- Be fully aware of all MPD policies and procedures.
- Plan and Monitor the progress of MPD operations and control all associated work in a safe manner as defined in the MPD drilling program.
- Track and record all 3rd Party costs associated with MPD operations.

How to Apply

Your resume, relevant certifications, and a copy of your passport or permanent residency card should be sent to canadacareers@stena.com with your name and the position you are applying for in the subject line.

Please note that only Canadian citizens or Canadian Permanent Residents will be considered, no exceptions.

Resumes must contain the following information:

1. **Personal Information** – Name, Nationality, Province/Territory of Residence, Phone Number(s) with area code(s), and Email address
2. **Education/Training** - Name and location of training institution, dates attended, name of completed program.
3. **Experience** - Name and location of company worked for, units worked on (type and name), dates of employment, job title(s), and brief descriptions of your main duties/responsibilities while in each position.
4. **Offshore certificates** – Attach all certificates you currently hold (that are valid) as per the “Skills, Education, and Experience” section above.

Please be advised that successful applicants will be required to complete mandatory training ahead of joining the drill ship.

Thank you for your interest in Stena Drilling. Your application will be reviewed, and we shall revert accordingly should you be shortlisted.
